April 26th  
 2018

*From the Principal's Desk.....*

Congratulations to our students and families who attended the Haden-Goombungee ANZAC March yesterday and participated in the march. The following students attended and marched with our school: Braydan, Savannah, Gabi, Seth, Daniel, Lyndzi, Linden, Alistair, Ava, Jesper, Gracie, Gideon, Isla, Arthur, Nolie, Clementine, Magnolia, Kyran, Hayley, Chloe, Mia and Bianca. ANZAC Day is an opportunity for our school to be a part of the bigger community. Well done students and thanks to our families for getting our students to the march. We had 22 students attend the march which is a participation rate of 69%!

Congratulations to the ANZAC Day Essay Competition place getters....first was Nolie, second was Gracie and third was Gabi. Well done Nolie on your delivery of your essay. You spoke clearly and did your family and your school very proud. Thanks to the Goombungee RSL Committee for including Haden SS in the competition and for presenting our place getters with certificates and prizes.

We are currently preparing the students for the Small School Athletics Carnival which will be held this term. Students are maintaining their fitness and are working on their starts and ball games. Haden SS participated in this event for the first time last year and everyone enjoyed the competition with the other small schools. We were very excited to win the aggregate trophy and are keen to join in again this year. Everyone is welcome to attend. Most families transport their own children to athletics day. Transport will be organised for students whose parents who are unable to attend. More information will be shared closer to the date.

Naplan is coming up again in Week 5 on Tuesday 15, Wednesday 16 and Thursday 17 May. All students have regular Naplan preparation throughout the year. Students now 'sit' Naplan tests every term as part of this preparation. Teachers are able to gather data from the testing, which we mark ourselves, to help with our future planning. At Haden SS we also use JEMM, a daily Mathematics programme of direct instruction across multiple strands of mathematics to help prepare students for the demands of Naplan testing. Students in Years 3 to Year 6 have regular JEMM lessons and students in Year 2 will be starting these lessons in Semester 2.

Elaine Brennan  
 Principal

## School Expectations

**Be Safe**  
**Be Respectful**  
**Be a Learner**

### DATES TO REMEMBER:

#### April

27th Anzac Day Parade
