From the Principal's Desk,.....

Welcome back to Term 3. It is such a privilege to be acting in Ms Brennan's place while she is on leave. I am so excited to be in this role for the term. Ms Brennan and I spoke at length over the holidays and I will continue her focus for the school during her absence.

This term as part of our implementation of Positive Behaviour for Learning (PBL) and our increased focus on positive behaviour we are introducing fortnightly behaviour focuses. Students will be focusing on one of our school expectations; *Be Safe, Be A Learner, and Be Respectful*. Students will be explicitly taught these expectations and then monitored on their individual progress. This progress will be then be sent home. I encourage you to discuss your child's progress with them. This school-home connection is paramount to ensuring your child reaches their full potential and you are aware of how they are going at school.

We are developing a PBL team that will meet throughout the term to discuss the implementation of Positive Behaviour at Haden. If you wish to be a part of this team the next meeting is Tuesday 19th at 3.15pm.

We are also continuing with developing individual goals around the areas of Reading and Writing. These goals which previously have been recorded at school will be sent home so you can monitor and discuss them with your child.

Just a reminder that student have **are not to be at school before 8.30am**. However I understand that some parents have work commitments and will on occasions need to drop off their children early. I am happy to assist you with this. I just ask that you come up and speak to me so we can negotiate some support.

In response to the survey which was sent home last term daily homework will be reading, Words Their Way and Sight Words. For those families which elected to continue with the Homework Contract books time will be made at school for these students to complete with assistance.

Thank you so much for your continued support. If you require more information about these matters or wish to discuss things further please don't hesitate to contact me at the school.

Kind Regards,

Emma Pukallus
 (Acting Principal)
