We are now back into the swing of things at school. The students have had a great start to the term and have come up with individual writing, reading and behaviour goals. These goals will be sent home this afternoon. I encourage you to read through them with your child.

This Thursday the majority staff will be involved in Positive Behaviour for Learning Training at school. Our fortnightly expectations focus is Be Respectful and follow teacher/adult instruction. The students have be explicitly taught this in their expectations lesson. Last fortnights postcards will be sent home for those students who earnt additional Hados for the focus “Be Respectful- Wear your Uniform correctly.”

Yesterday I sent home a reminder about the annual School Opinion Survey which closes this Friday the 29 July 2016. All families, school staff and a random sample of students have be invited to participate. We encourage you to take this opportunity to have your say about what this school does well, and how this school can improve. Access details for the Parent/Caregiver Survey were sent home with your child last week Parents/caregivers are welcome to complete their survey online at the school with school computers available at your convenience.

Last Thursday the students of Haden travelled to Goombungee State School and participated in the annual Goombungee/ Haden Athletics Carnival. I was so impressed with the efforts of the students. They all participate to their best efforts. Like I have said before to the students what we lack in numbers we make up in heart and spirit. The students did a wonderful job cheering for their fellow team mates. I have to admit I was immensely proud of their sportsmanship.

Just a reminder that at Haden State School we promote healthy eating and can parents please send drink bottles with water rather than juice or flavoured milk drinks.

Many Thanks,
Emma Pukallus

Our Goals
Writing, Reading, Attendance-Every child attending everyday
**Attendance**

<table>
<thead>
<tr>
<th>Class</th>
<th>Week 1</th>
<th>Week 2</th>
</tr>
</thead>
<tbody>
<tr>
<td>P-2</td>
<td>98.6%</td>
<td>95.3%</td>
</tr>
<tr>
<td>3-6</td>
<td>98.6%</td>
<td>97.5%</td>
</tr>
</tbody>
</table>
