From the Principal's Desk.....

Welcome to Alakai in Year Prep. Alakai commenced at Haden SS in Week 2 and is settling in well to his new school. Welcome also to Chloe and Mia who commenced school at Haden this week, Week 3. We love to welcome new students to our small school. We trust you will enjoy your time at Haden SS.

This week the calves have arrived. Thanks Mrs Pukallus for all your efforts to get the calves well enough to introduce them to our students for the next few weeks. Our students are very much enjoying becoming acquainted with them, feeding them and learning first hand some of the processes involved with having a dairy farm. Last week we had a fantastic opportunity to see a drone in action at our school last Thursday when the cows' powered milk and crumble were delivered. Students were able to hear the buzz of the drone and watch as it photographed them and our school. We have been supplied with the footage that the drone took. Thanks Paul!

It is great to see some students are really trying hard to complete their homework and bring it in on Fridays. Prizes are given out at the end of term to any student having 100% Homework for the term. Last term 3 prizes were given out. We are hoping to improve on that this term. Keep up the great work with learning sight words at home. We have students moving quite quickly through their sight word lists. This is reflected in their progression up through the Reading Levels! Our Words Their Way Spelling data is also improving with most students getting between 15 and 20 out of 20 last Friday. Students are heard 10 of their list words on test day and receive a mark for spelling the word correctly and another mark for writing the word in the correct column. Words are tested fortnightly.

Woolworths Earn and Learn has commenced for 2017. Please save your stickers for Haden SS. Stickers can be handed in here at the school. We will be placing our collection box at the Woolworths at Highfields today. Thank you. It is a great way for us to 'purchase' resources for our students.

Going to school with head lice

Should you send your child with head lice to school?

If your child has head lice, it is strongly recommended that you send him/her to school **AFTER YOU HAVE STARTED** an effective treatment of head lice.

EFFECTIVE TREATMENT means:

- NO LIVE head lice
- eggs may still be present (they remain after the first combing with hair conditioner or application of an effective chemical treatment; no product kills eggs and no comb removes all eggs.)

Eggs pose no risk to others **AS LONG AS TREATMENT CONTINUES AND IS EFFECTIVE.**
