*From the Principal's Desk.....*

We had five students take the Naplan Tests last week. All five students committed themselves well to the testing process. Results won't be back for several months.

We are almost half way through the term. Our attendance data is at the highest point that we have attained this year.... **95%**. Thank you! By ensuring that your child is at school every day that they are not ill, assists us to maintain or even improve on our attendance data. Being at school gives your child every possible opportunity to improve their outcomes and achieve their personal improvement goals.

Don't forget that next week we are offering Parent-Teacher meetings to discuss your child's progress. We don't have many scheduled meetings to date. Next week we will be holding Under 8's Day activities at Haden SS to coincide with Playgroup on Wednesday 24 May.
