From the Principal’s Desk………

The P&C had a very successful Cake Stall at Jacaranda Day last Saturday. I extend a big thank you to Beryl, Deanne, John and Jenelle for helping with the stall. I would also like to thank our students who came along to support the Cake Stall. They looked very smart in their school uniforms…Willa, Emerald, Jezziah, Nevaeh, Navareth and Cameron.

There are still boxes of Chocolates still left to sell. If you would like to sell another box, please return the money and we can issue you with your second box. Thanks!

Our last Market Day for the year will be held after parade on Friday 19 November. Donations of eggs, plants, home produce and home cooking are welcome and appreciated.

We will be observing Nude November at Haden SS commencing the beginning of Week 7, next week.

National Nude Food Day is a great way to teach students (and parents) the difference that their actions can make for their own health and the environment. By teaching students the benefits of a healthy lifestyle, environmental sustainability and the difference their actions can make, we can influence the next generation to be global innovators.

Establishing the importance of this in kids at a young age can have lifelong benefits not only for themselves, but the broader community as well. We will have a “Number of Nude Lunches” Competition. This is a simple competition between students with points allocated for each student who has a totally Nude lunch (i.e. no wrap). How to manage that? Use containers that can be recycled eg Nude Food containers and Tupperware containers.

Don’t send Poppers; decant juice instead or save juice for breakfast or afternoon tea. Decant yoghurt into smaller containers. Apples and bananas come in their own wrapping. This is a great opportunity to encourage your child to eat fresh foods – not pre-packaged foods. The student/s with the most points wins! Prizes will include Nude Food containers to help families sustain Nude Food Lunchboxes at Haden SS.

Research reveals that students do better academically if they exercise before, during and after school. Thanks to Christine Waddell for supervising students as they exercise each morning before school.

The hens are laying well, producing on average 2 eggs per day, which we sell on Market Days. They do have the opportunity to be free range for 3 hours every day and are certainly turning the garden over for us. Students rake up after them every second day and water the gardens at the same time. Our lettuces, tomatoes, herbs and strawberries are coming along and we have two new eggplants growing. Ms Brennan and Mrs Fleming are teaching the Marimba group, a group of 5 students from the 3-6 class. The marimba group meets twice a week on Tuesday at 8:30am and Friday at 11am. Those students need to be on time for rehearsals on Tuesday mornings.

We will be observing Remembrance Day on Friday 11 November at 11am with a minute of silence at our flag and monument area.

Progress Reports

As a result of the Quadrennial School Review discussion, it was decided to provide parents/careers with a *Interim Student Progress Card.*

These cards will be distributed to students during the middle of each term as well as the end of Terms 1 and 3.

The cards are designed to keep parents informed of students progress across some of the KLA's (Key Learning Areas). Parents are asked to sign and return these cards, they will then be returned for parents to keep.

The first cards will be distributed to students this Friday.
