I would like to begin by making a very heartfelt thanks to all the staff, students and parents for their support and assistance this term. I have just loved my time at Haden State School as Acting Principal. I am very passionate about this school and community and love working here! I have thoroughly enjoyed working with the students on a daily basis and getting to know them more. We have a great bunch of student here and I love their enthusiasm for learning and commitment to their school. This term I have be witnessed this with both students and parents staying back afterschool to help with the gardening and drama production.

I would also like to take this opportunity to say a huge thank you to many helpers we had at our Working Bee last Friday. All those who participated put in a tremendous effort and our project “Farm to Table” will be producing fruit and vegetables soon.

As part of an initiative by the Student Representative Council project “Farm to Table” the student will be holding a Market Day where produce grown at school and donated by parents and community members will be put on “the Table”. The Market day will be Thursday the 15th September at 3.00pm, out the front of the school. All items are available to parents and community members for a donation. All proceeds will go to the Student Representative Council to fund the ongoing maintenance of this program. Thank you also to the P and C for their support with this programme. Your wonderful donation of the fruit and vegetable seedlings is extremely appreciated.

Last Friday the school got 3 new additions of the feathery nature. I would like to extend and big thank you to the school P and C for donating the money for the chicken pen and to Jenelle Gills for her generous donation of the three chickens. The Student Representative Council is having a competition to name the chickens. For 20c you can put forward your name idea. Students can then vote of the names. The top three most popular names will be picked. Students with the winning names will get a prize. Winner will be announced on Parade on Friday the 16th of September.

The winner of the Loom Band Competition will be also announced and will receive a $30 Toys ‘R’ Us voucher. Other prizes will also be given out. So keep up the good Loom Band and see if we can break that record!

Next Wednesday Night is the School's drama production at the Hall. The students have been busy learning their lines and it is going to be a great performance. A huge thank you to Mrs Crocket for the tireless efforts that she has been putting in to ensure that it runs smoothly. Thank you for all your hard work!

Thank you again for all your support this term.
