Dear Parents/Guardians,

In 2017 there are no textbooks to purchase, therefore each family is asked to participate in the voluntary contribution scheme, with the contribution being $35 per student.

This contribution is used to purchase classroom resources.

The additional items below are recommended:

- A simple calculator (solar powered if possible, labelled)
- A USB Memory stick (available from electronics shops, minimum 1GB)
- For early writers, sometimes a pencil grip-aide may assist. Various types available.

ALL items should be clearly labelled with your child’s name.

If you would like to discuss this further, please do not hesitate to speak to me.

Elaine Brennan
(Principal)
