# Principal's foreword

#### Introduction

Haden State School 2015 School Annual Report outlines pertinent information for your perusal regarding school culture, climate and performance. It offers a 'snapshot' of the 2015 school year.

# School progress towards its goals in 2015

The key priorities for 2015 included **development of instructional leadership** with a focus on workforce performance; **development of productive partnerships** with students, staff, parents and the community; and **improvement of school performance**. Naplan results for 2015 demonstrated gains in School Performance, with four Haden State School students scoring in the Upper 2 Bands in at least one of the tests. Partnerships continue to strengthen within the Haden School Community and instructional leadership continues to evolve with the imbedding of Explicit Instruction across the school; and leading the implementation of processes to improve writing and spelling.

# **Future outlook**

Haden State School's focus for 2016 is to improve the teaching and learning of writing through the continued roll out of explicit instruction of writing strategies across the school. All teaching staff will access professional development in the area of writing. Regular internal moderation will measure progress of this initiative, as will future Naplan Writing tasks and regional moderation. The focus on writing will also positively influence improvement of Reading and improvement of Spelling, becoming a three pronged improvement strategy.

#### **School Profile**

Coeducational or single sex: Coeducational

**Independent Public School: No** 

Year levels offered in 2015: Prep Year - Year 6

Student enrolments for this school:

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
2013	18	8	10		100%
2014	12	6	6		67%
2015	24	7	17	1	90%

Student counts are based on the Census (August) enrolment collection.

In 2015, there were no students enrolled in a Pre-Prep program.\*

#### Characteristics of the student body:

Haden State School students come from a mixed socio-economic and predominantly rural background with a small fraction from rural-urban families. A large proportion of students are second or third generation at the school and there is a growing number of new families entering the district. Enrolments have now increased over the last two years, with a steadying trend beginning to be observed.

Cancellations of Enrolment	0	0	0

<sup>\*</sup> Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

# **Curriculum delivery**

# Our approach to curriculum delivery

Students at Haden are very privileged to be able to work in a highly supportive environment with an unrivalled support staff ratio considering the number of students at the school. The small cohort is supported by at least two staff members in the class for the majority of lessons. Students with special needs are well catered for by a team approach including the learning support teacher, classroom teachers and the Advisory Visiting Teachers. Consequently, the school is strategically resourced to provide the additional support where required.

Haden State School Playgroup operates free of charge at Haden State School on Wednesday mornings from 9am -11am. Children and their parents come together to enjoy activities, play and conversation.

#### Extra curricula activities

Haden State School offers:

ANZAC Parades at Goombungee for Goomgungee/Haden ANZAC Day Ceremony.

Annual Athletics Days held with Goombungee State School at Goombungee State School in Term 2.

Excursions connected to Key Learning Areas and curriculum programs.

Swimming 'camps' of swimming instruction over four consecutive days for maximum outcomes for students.

Showcase Days at the end of Music and Drama units.

Transition Programs - Year 6 students participate in visits to Oakey High School and Highfields College, as part of a Transition Program. Prep-Preps are invited to join in classroom activities after attending Playgroup on Wednesdays in Term 4.

Camps - Every other year, Whole School Camps are offered to all students from P-6. In 2016 the Whole School Camp will be held at Currumbin Farm School in June.

Art entries in the Goombungee/Haden and Crow's Nest Shows.

Community participation: 'Yarn bombing' trees at Haden State School and in Crow's Nest Day, for Goombungee's Jacarandah Festival.

# How Information and Communication Technologies are used to improve learning

All year levels use computers on a daily basis. High level usage is enabled by a student to computer ratio just less than 1:1. Computers and ICT are integrated into all key learning areas across the school and are viewed as being one more vital tool to enhance and support learning.

Students have access to iPads, Android devices, digital cameras, interactive whiteboards, scanning and printing equipment.

Internet and email facilities are available to all students. All students have their own username and password for the internet and email, and their own folders to store published work on the school network.

Teachers have been provided with a laptop (C4T) for use in planning, preparation, record keeping and reporting.

All technical issues are directed to the IMS service centre when problems arise.

<sup>\*\*</sup>From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

# **Social Climate**

Effective and timely communication between staff, parents and students is the cornerstone of positive relationships within the school. Our school operates on an accountable and transparent policy which encourages, invites and welcomes parents to discuss their child's progress openly and honestly.

# **Parent and Community Engagement**

At Haden State School we value parental involvement in their child's education. The following strategies are employed in order to keep that involvement alive:

Informal conversation every afternoon at the front of the school after dismissing students at the end of day. Phone calls to inform parents of positive and/or negative events in their child's education.

Items in the newsletter recognising students of the week, student achievement in academic, artistic and sporting challenges.

Invitations issued for parents to join classes on excursions, to help as volunteers in the classroom or to attend special events, ie., drama presentations and sports days.

Letters and certificates sent home to parents in recognition of student achievement or involvement in school based activities.

Letters sent home requesting parental support for students making inappropriate choices.

Parent involvement through P&C meetings and fund raising activities.

Formal requests for interviews along with informal conversations before and after school.

# Reducing the school's environmental footprint

The ongoing expenditure on energy efficient facilities projects had seen Haden State School convert all of its lighting to efficient energy saving devices and install a number of skylights in key strategic areas of the school, reducing the need to utilise lights on sunny days. We encourage responsible behaviours including turning off electrical equipment during non-use periods.

2012-2013	9,656	0		
2013-2014	11,894	1

<sup>\*</sup>The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

# Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Parents are called on the first day of unexpected absence to inform them of their child's absence, to give parents the opportunity to explain and also for the school to offer support to assist student attendance. Attendance Data is monitored weekly, announced to students, included in the school newsletter and prominently displayed around the school. Students are regularly rewarded for excellent attendance on parade and any student achieving 100% attendance over the entire year is given recognition and is rewarded.
